By signing below, I request the demonstration unit be sent for our evaluation and agree to the terms listed below.

Please fax to Jason Helton at (912) 525-3505 or email to

jhelton@alta-innovations.com.

Terms: This form must be completed by the person responsible for the demo units. Demo units will be shipped via FedEx and must be returned by FedEx after the 7 day loan period. Lost or damaged demo units, or units not returned will be billed to the party requesting the demo unit at the following prices: G Walk sensor = \$2200, G Walk band = \$100, Free EMG probe = \$600, Free EMG charger = \$900, Free EMG USB receiver = \$600, Bluetooth capable Laptop loaded with G-Studio / Free EMG Software = \$4700. Failure to return the unit in a timely manner will constitute loss.

Yes, I agree.

Demo systems are made available on first available basis. We will advise when the demo unit will be shipped and provide tracking information.
